

# Allergen Information

All allergens are present in our kitchen and, while we take every precaution to avoid cross-contamination, we cannot guarantee anything to be 100% allergen-free. All our game is wild and may contain shot. Our fish are wild, native, sustainably caught by day boats and, rarely, may contain bones. Consuming raw oysters / shellfish / fish may increase your risk of foodborne illness.

<b>DISH</b>	<b>ALLERGENS</b>
